

Metro's 2012 Emerald Isle EOP

Program Terms:

- Ordering Period: December 14, 2011 to March 9, 2012
- Take Delivery by April 16, 2012
- With Delayed Payment Due May 16, 2012
- The Minimum Order to Qualify is \$1,500.

Emerald Isle's reputation for providing the safest and highest quality liquid nutrient ingredients continues to grow. Competitors make big claims, but Emerald Isle provides unmatched RESULTS!

Erik Ervin, Ph.D, Virginia Tech University, on Cytokinins:

During root decline, Cytokinin production is severely limited. Cytokinin supplementation by SWE applications delays premature aging and senescence. Cytokinins have a role in regulating response to high temperatures. oo 2011

Zeatin Riboside Content	
Product	Zeatin Riboside ppm
PanaSeá Plus	*
Ocean Organics	108.6
Roots	62.1
Adams Earth	36.1
